# Yellow Hook CSA 2018 Membership Terms and Agreement

**I commit to membership in the Yellow Hook CSA for the 2018 season.**

The Yellow Hook CSA (YHCSA) supports the Garden of Eden Farm located in Riverhead, Long Island. The CSA facilitates the distribution of produce from the Farms to CSA members. The Farms sets CSA share prices, share size, and contents. The CSA is an independent organization, separate from the Farms.

## **1. Payments**

**I agree to pay for my share(s) in full by May 31, 2018**

Payment options are: Pay in full, or pay in installments with deposit of \$100 is due at sign-up. There is a \$20 administration fee added to the total share price, payable to Yellow Hook CSA, which will be used to cover website domain registration; supplies; distribution site materials; events; and miscellaneous expenses. All balances must be paid in full by May 31, 2018. Checks are payable directly to Farm and mailed to Donna Ponzoni, 368 90th Street, Brooklyn, NY 11209. Or pay online at the Garden of Eve Farm website at [www.gardenofevefarm.com](http://www.gardenofevefarm.com).

## **2. Mandatory Work Shift**

**I commit to working my scheduled distribution shift.**

The YHCSA requires that all members work one full Wednesday shift at the pick-up site, 5:30pm – 8:30pm, helping distribute shares to other members. Since we are entirely member-run, we need your active participation in order to keep our CSA going. Therefore, the work shift is MANDATORY, and you must complete your scheduled shift in order to remain a member in good standing. Only one member per household is required to work. If you cannot make your shift, you MUST (a) arrange for someone to work in your place; and (b) notify the Volunteer Coordinator in advance. You will be able to sign-up for your preferred distribution shift at the CSA orientation (date to be determined) or during pick-up once the season begins.

## **3. SHARE PICK-UP (DISTRIBUTION)**

**I am responsible for picking up my own shares (or having a designee do so); otherwise I forfeit that week's share.**

Members are responsible for picking up their own shares at the distribution site on Wednesday from 6- 8pm, or they will forfeit that week's share. If necessary, members may have someone else pick up for them, or can trade weeks with another YHCSA member. (The person picking up for you should notify the volunteer at the distribution site sign-in table.) Upon arrival at the distribution site, members must sign-in before picking up a share. Please check each share type separately. Members will use their own bags to pick up their shares. We suggest two large tote bags and some smaller plastic bags to put individual items in.

**I agree to take only the produce/goods that are part of my share, and only in the amounts designated.**

Distribution is organized by item, and marked with a sign showing members the amount they should take. Members must take ONLY the amounts listed on the share sign. The CSA receives a fixed amount from the Farm, based on the number of members. It is therefore imperative that no one take more than their share, so as not to deprive other members.

**4. Hazards on the farm during farm visits.** I understand that although the farmers strive to make the farm safe for visitors, there may be hazards, including uneven ground, sharp objects, farm equipment, etc. I agree not to hold the Garden of Eve Farm or the Yellow Hook CSA responsible for any injury that might occur at the farm or at the distribution site.

By signing up, I am providing the Garden of Eve Farm with the funds needed to operate during the growing season. I agree to share in the risks of agriculture with the farmers, and I understand that although the farmers will aim to supply me with an ample quantity of many different vegetables

and fruits, there is no guarantee that any arm produce, or any specific quantity, will be distributed in the farm share.
